Championship Round Notes

1. League championship games are scheduled for March 6th, 13th, 20th & April 3rd
2. Should the game end in a draw, each team throws one rock, closest to button determines winner (throwing team only allowed to sweep)
3. Higher ranked team has choice of colour and last rock at start of each game, spare(s) MUST play lead followed by second position if two
4. With 14 teams, the first two rounds there are two “BYE/advance” games where each team will play an exhibition game and regardless of the outcome they will advance in the draw as normal
5. Please remain respectful to the time/pace of the game, we need to be off ice at 8:45pm (no changes to buzzer rule meaning no extra time)

Have Fun & GOOD LUCK!
